

WHICH WALKING TOUR WILL YOU CHOOSE TODAY?

	Duration	Distance	Ages	Availability	# of Stairs	Light Show	Description
	45 MINUTES	0.75 MILES	ALL AGES	DAILY! Tours depart periodically throughout the day! See departure board for next tour time!	NONE! Uneven cave floors and a few steep hills, but our easiest tour with NO STAIRS!	NO	This tour will focus on the HUMAN HISTORY of Cumberland Caverns. Who discovered the cave, explored the depths of the cave, and developed the cave for tours? What is the history of organized caving & cave conservation? What are carbide lanterns & salt petre mining? What is the Volcano Room and how did the iconic chandelier come to be? Learn all of this and MORE on the Cardwell Mountain History Tour today! This is a shorter tour designed for those thirsty for history, short on time or need a less-strenuous hike.
	90 MINUTES	1.5 MILES	ALL AGES	DAILY! Tours depart periodically throughout the day! See departure board for next tour time!	350 Natural stone steps are uneven and some quite steep! Includes steep hills. A mildly-strenuous hike	YES	This tour will focus on the NATURE of Cumberland Caverns. How does a cave form? What kind of rocks are here? What kind of animals call a cave home? Learn all of this and MORE on the Discovery Walking Tour today! This tour includes an amazing light show that retells the story of early explorers, a view of the World-Famous Volcano Room from top to bottom, & explores the sinuous canyon passage called Lamon's Loop. This information-packed tour is a mildly-strenuous hike that will make you feel like you spent the day at the gym!
	90 MINUTES	1.0 MILES	AGES 8+ ONLY	WEEKLY! Tours on select days as the LAST tour of the day only!	75 Natural stone steps are uneven, and a few steep hills.	NO	This tour will explore the cave by ONLY lantern light! What did the cave look like to early explorers in the 1800s? Why did they name our big room the "Volcano Room" back in the 1800s? What is the science of light and dark? What kind of animals live in the darkest places on Earth? Experience the DARKEST place on the planet, hear a spooky story, and learn all this and more on the Lanterns & Legends Tour! This tour is NOT recommended for those afraid of the dark or who have low-light vision impairment.
	90-120 MINUTES	1.75 MILES	ALL AGES	By Advance Reservation Only! Must book 10+ days in advance!	350 Natural stone steps are uneven and some quite steep! Includes steep hills. A mildly-strenuous hike	YES	A private tour of Cumberland Caverns with just your group! Tour includes a general overview of all things Cumberland Caverns including a hike over the Hall of the Mountain King to see the light show, the Volcano Room top & bottom, Lamons Loop and a short lantern walk in the back of the 10 acre room! This tour is able to move more at your pace and give you a VIP experience!
