***ALL minors under age of 18 must be accompanied by someone 18+ years in age. Photo ID required at check-in for Party Leader, and must match completed waiver.**

The Hall Crawl Adventure Tour is the perfect introduction to caving for kids!

Planning For Your Caving Trip: Helmets and helmet lights are provided by Cumberland Caverns for use on this tour. Everyone participating in this tour must take a test crawl through "The Box" (approximately 12-inches tall, by 33-inches wide). This box was created to represent the smallest spaces everyone will be crawling through. Participants may bring their own camera and/or additional light source on this tour, however it is not necessary. In addition, please keep in mind that any type of camera or phone could end up broken – take them at your own risk. Chewing gum, food, drinks, and laser pointers are prohibited. This tour tends to be easier for kids and more difficult for adults.

What To Expect: Your guide will give you a quick orientation on safe caving and check to verify you are wearing all required apparel. After crawling through the test box they will guide you on a short hike to the cave (0.25 miles to the HENSHAW entrance of the cave, 0.25 miles to the helmet room). Your guide will fit you with a helmet, then turn on the headlamp to begin your trek to the back of the historical Ten Acre Room. During the tour you will be climbing up and down ladders, doing a lot of crawling on your hands, knees, belly, and even scooting on your side through tight passageways such as the Lemon Squeezer. Tighten up your shoe laces as you prepare to tackle the unforgettable boot-sucking mud of "Bubblegum Alley", test your balance on the "Dragon's Back", then slide down our natural formed mud slide to complete this tour. You can expect to have A LOT of FUN and MEMORIES you'll never forget!! This is a guided tour along a specified, approved route in the cave, you must stay with your guide at all times. This tour is more difficult for full-grown adults than for children.

***All tour duration times vary depending on the size and athleticism of the entire group.**

What To Wear For This Tour: REQUIRED: You must bring and wear gloves, sturdy, lace up, closed-toe shoes or boots, and LONG pants. HIGHLY recommend knee pads. We recommend wearing clothes and shoes that you do not mind getting muddy/wet, stained, or torn. We suggest a T-shirt or thin, long sleeve. You can NOT wear shorts. You may also wish to bring a change of clothes/shoes for after the tour is complete, to keep the inside of your vehicle from getting muddy. We do not recommend wearing jewelry, such as necklaces or bracelets, on this tour. Pure water is the only beverage permitted on this tour. Helmets and headlamps will be provided for use on the tour.
